

If a Series is already set up in Sailwave folder

To input results

1. Copy and Paste the existing file, so if any errors occur you have a clean copy to fall back on.

Latest clean copy has AA at the front of the file name to identify 'last successful copy' –

2. Double click on the copy to open the programme
3. right click on the next race and click on 'Edit race'
3.1 change race number 3.2 change date 3.3 check that start times are correct to the results sheet received from the Committee Boat.
If you need to change start time - double click on the time and alter manually.
4. Click "Sail num wizard"

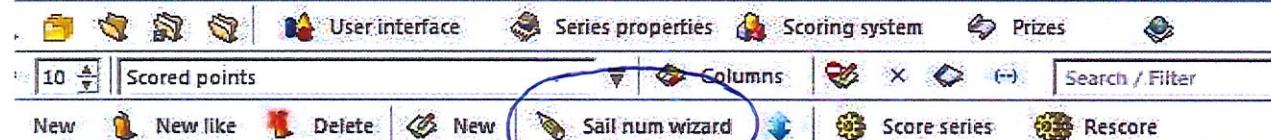

Check that race number and date are correct to what you want to enter – see example race needs to be changed to R3 using the up arrow.

5. Start to enter results,

if using 'place or retirement code' place will automatically progress, but it can be manually changed, e.g. if a protest hearing decides to change a boats result.

If using 'elapsed time or retirement code', you must enter the finishing time manually.

6. Once all finishers have been entered into Sailwave – check the end of the results sheet for any boats OCS (on course at start) DNF (did not finish) UFD (U flag disqualification), you do not need to understand all codes, the programme will automatically calculate the result/penalty. Just make sure the correct code is entered – enter manually or use the arrow for a drop down box.
7. Click the ‘Score Series’ button, you are now ready to ‘publish’ results.
8. Print off the list of pathfiles
Rules of pathfiles : a.) always use lowercase-no capitals b.) no spaces c.)use underscore_ never a dash –
9. To publish : Click ‘publish’, click ‘results’, highlight one class and ensure that ‘summary’ and ‘individual ‘races are ticked – click ‘next’ ensure that the correct pathfile is highlighted – if it is not ,change it manually to match the copy on the pathfile list. Click ‘publish’
10. To print hard copy : Click ‘preview’- right click on the page and select ‘print preview’- click to remove header and footers – if possible ‘shrink to fit on 1 page, click on printer icon , top lefthand side of page.
11. Go to ‘Results’ section of HYC website and check that you have published the correct results to the correct class. If it is incorrect return to sailwave and re select the correct pathfile to publish, this will then override what is on the website.
12. Post hard copy on the Event noticeboard or if it is club racing, post hardcopy on results board at back door to the clubhouse.
